GLOBAL PARTNERSHIP: DELIVERING BIOPHARMA INNOVATIONS TO PATIENTS

Gaining Access to US and Chinese Markets

1:00 PM to 4:15 PM Jun 18, Sat

Are you a Chinese pharmaceutical company looking to start a clinical study in the U.S. or wishing to enter the markets in the US?

Or are you a multinational large pharmaceutical company wanting to know the latest policy updates from CFDA and new developments in the Chinese pharmaceutical market?

Join us in the workshop: Gaining Access to US and Chinese Markets on Saturday June 18, 2016, and let **FDA** and **CFDA** officials, pharmaceutical industry veterans and executives answer your questions.

Workshop highlights:

- **Presentations: Challenges and Regulatory Pathways to Enter Chinese and US Markets**
- **Panel discussion: Gaining Access to Markets in US and China**
